**PROJECTION 2:** "FUNNY LOVE".

**TONY BOY:** (clears throat) Your laugh is an infection  
You are a blessing in the sky  
You cut to the cheese  
You bake your cake & lie in it  
in the wink of an eye

It was a no-win-win situation  
It was as brand as new  
It was clean as a daylight  
for me

"Hi, I'm Paolo," I said. "What's yours?"

I couldn't help myself to it  
you rip what you saw  
the sky's the limit, &  
I am only human nature
